- why sending your child to the program is important to you
- in what ways you think you or the recipient will benefit from attending the program
- some information regarding the circumstances of your financial need in this case
- a dollar amount that you feel you are able to pay financially.

Please submit your application to the Education Director prior to the following dates:

Scholarship Deadlines:
June Camp Deadline – May 5th

Please call us if your scholarship application is likely to be later than that and we can consider it further. Depending on the demand for scholarships, the financial health of the scholarship fund, and other factors we are sometimes only able to award partial scholarships.
