These scholarships are only for those in obvious financial need. Please write a short two to three paragraph essay addressing the following points -

- why sending your child to the program is important to you
• in what ways you think you or the recipient will benefit from attending the program
• some information regarding the circumstances of your financial need in this case
• a dollar amount that you feel you are able to pay financially.

Please submit your application to the Education Coordinator prior to the following dates:

Scholarship Deadlines:

Knee High Scholarship Deadline: September 1
Fall Break Scholarship Deadline: September 15

Please call us if your scholarship application is likely to be later than that and we can consider it further. Depending on the demand for scholarships, the financial health of the scholarship fund, and other factors we are only able to award partial scholarships.

Thank you for your interest in the Highlands Center! We look forward to spending time with you and your children outside in nature!
