## Turley Trail

### TRAIL HEAD DIRECTIONS

Distance from Courthouse Plaza is 2.3 miles. Drive east on Gurley to SR 69. Turn right on Overland Rd just before SR 89 bends left under the underpass. Turn left onto Butterfield, and right onto Wells Fargo. In ¼ mi look for a narrow dirt road between two houses just before Wells Fargo turns left. Follow the dirt road to the Turley TH. (Better yet, use your phone GPS to navigate to Turley TH Parking).

### DESCRIPTION

The Turley Trail, from the parking lot to the Boy Scout Trail and back, is moderate 4 mile hike. It is mostly unshaded chaparral, winding up and down from 5600 to 5800 ft. You can turn around at the intersection with the Boy Scout trail, or continue on the Boy Scout trail to the Ranch trail, adding an additional 3 miles and 500 feet of elevation to the hike. At these higher elevations, pine and juniper prevail. The Turley trail is named for Gerald H Turley, who dedicated many years to trail building here.
