

# Take A Hike!

2024 Hiking Spree

## Smith Ravine

### TRAIL HEAD DIRECTIONS

Distance from Prescott to TH is 9.3 miles, all blacktop. From Courthouse Plaza, drive east on Gurley and SR 69 to Walker Road, just before Costco. Turn right (south) and travel 5 miles to the TH on the right. It is easy to miss, so watch for Bannie Mine Rd and a group of mailboxes on the left opposite the trailhead.

Description: This trail is 6 miles long with an elevation change of 1300 feet. It is a difficult hike due to the length and elevation change. It begins in the an interior chaparral ecosystem, but climbs into an Alpine forest with Ponderosa pine and Douglas fir, up the east side of Spruce mountain. The turnaround point for the full 6 mile hike is Spruce Mountain Rd. Feel free to turn around at any earlier point.
