

2026 Hiking Spree

Quaky Loop

TRAIL HEAD DIRECTIONS

Distance from Prescott to TH is 5.7 miles, not all blacktop. From Courthouse Plaza, drive south on Montezuma/White Spar to Copper Basin Rd and turn right (west). Drive 4.6 miles on Copper Basin rd to the Aspen Creek TH on the right. The blacktop will end after 3 miles. The hike begins with the Aspen Springs trail #48 on the south side of Copper Basin rd.

Description: The Quaky trail #741 is a relatively new trail, built in 2024. This hike combines the Quaky trail with several others to form a 5.6 mile loop in a Ponderosa Pine forest in the Sierra Prieta mountains west of Prescott, varying in elevation from 6,200 to 6,800 ft. It is mostly shady.

Trails (clockwise): #48, #741, #264, #744, #327, #393
