

Your Arizona State School Tax Credit Donations Support Youth in Nature

With support from our members and the larger community, the **Highlands Center for Natural History (HCNH)** has established a specialized educational program, the **SCHOOLYARD HABITAT PROGRAM**, which has enriched the lives of tens of thousands of students over the past 15 years.

In 2020, we will renew a partnership with our very first habitat school, **Coyote Springs Elementary** in Prescott Valley. Your tax credit contributions will revitalize this outdoor classroom and provide two years of teacher support/student instruction from our HCNH professional educators.

Arizona tax law permits taxpayers a dollar-for-dollar tax credit of up to **\$200.00** (individual taxpayer) or **\$400.00** (married filing jointly) for contributions to extra-curricular activities in a public school.
