**Description:** Trail 325, Firewater, was completed early in 2017, a reroute of a social trail, constructed by the PNF "Over the Hill Gang". This reroute was part of the Greater Prescott Trail Planning (GPTP) group's goal to add new trails (see GPTP balloon below). Firewater is an interesting trail that climbs up through the pines from Willow Crk, but you first need to get to its starting point on the Prescott Circle Trail by the Chimney Ruin.

GPTP members include the PNF, the City of Prescott, key trail users representing motorized and non-motorized groups, as well as important input from interested members of the public.

**PRESCOTT CIRCLE TRAIL**  
 Trails #332 & #392 are segments of the Prescott Circle Trail. This trail is about 55 miles long and goes all around the City of Prescott. It was completed in mid-2015 (all but a two-mile segment). For more info, buy a copy of the *Guide to the Circle Trail* from the Highlands Center or the Chamber of Commerce downtown.
